

Dear valued member of the community,

Since 2020, Bolt Laserworks has partnered with the Edwardsburg Chamber of Commerce and local business sponsors to provide personalized insulated tumblers for all graduating seniors from the Edwardsburg Public Schools.

For a minimum \$100 sponsor fee, companies receive recognition in the congratulatory letter to the Senior students from the Chamber, including your business card and/or a coupon in the tumblers, and a Thank You tumbler etched with your company name.

This year we need sponsorship for at least 215 tumblers at \$20 each, a net total of \$4,300.

If you are interested in sponsoring the tumblers, please complete the information below and include a check, or visit our website at: [edwardsburgchamber.org](http://edwardsburgchamber.org). **Responses are requested by Friday, May 12<sup>th</sup>.**
