

Dear valued member of the community,

Since 2020, Bolt Laserworks has partnered with the Edwardsburg Chamber of Commerce and local business sponsors to provide personalized insulated tumblers for all graduating seniors from the Edwardsburg Public Schools.

For a minimum \$100 sponsor fee, companies receive recognition in the congratulatory letter to the Senior students from the Chamber. For donations of \$250 or above, you have the choice of receiving a tumbler with your company name, or donating it back and including your business card and/or a coupon in the tumblers. This year we need sponsorship for at least 230 tumblers at \$25 each, a net total of \$5,750.

If you are interested in sponsoring the tumblers, please complete the information below and include a check, or visit our website at: edwardsburgchamber.org. **Responses are requested by Friday, May 10, 2024.**

Company and Contact Person: _____

Mailing Address: _____

Phone Number: _____ E-mail: _____

For donations of \$250 or above, please complete the items below:

Yes, we want to include our business card or a coupon in the tumblers

NOTE: If items are to be included in tumblers, 230 will need to be supplied

Yes, we would like a custom tumbler with our business name.

Please write exactly how the name should appear _____

Please donate my tumbler back to the project

Please make checks payable to the Edwardsburg Chamber of Commerce. Checks, completed forms, and business cards/coupons can be dropped off at the Ontwa Township Hall **OR** mailed to:
